

Bryn Y Gors Holiday Park
Pontrhydfendigaid

Willerby Salisbury

2000

32 x 12ft

2 bedrooms

Double glazing Central heating

This classic, yet exceptionally maintained caravan, has plentiful wraparound sofa-style seating against a backdrop of large windows, allowing light into the space and giving way to lovely mountain views. The corner fireplace and TV unit provides a cosy focal point when relaxing in your caravan.

The dining area features additional storage and similar wrap-around style seating. Across from this is an efficiently laid out galley style kitchen with under-counter fridge and space above for a microwave. This kitchen layout is great for those who enjoy their time in the kitchen but don't want to compromise on space in other areas of their caravan.

Through to the back is the main bathroom with cream suite, shower and Jack & Jill style door through to the main bedroom. Across the hallway is the twin bedroom with over-bed storage and small full-length wardrobe.

The main bedroom has windows on both sides which makes this room gloriously light and airy. This bedroom has a fitted furniture style arrangement for the wardrobes and over-bed storage. Additionally to this is the dressing table.

This is a great caravan for those looking for efficient design and layout., whilst also incorporating plentiful storage and homely features. The ideal combination for enjoying your time on our quiet, country park.
